# The Ancient Magus Bride

Looks like  
taking a  
week will  
have to  
wait for  
today

Oh, yes, are  
you still  
asleep?  
It's  
almost  
ten.

Oh, yes I'm  
coming in.

crack

That's strange.  
She's not usually  
the type to sleep in.

Can't talk about it? There must be something right?

That's probably his worst fear!

What?

I could hear thunder somewhere nearby.

I was running from home... or rather, the place that was my home at the time.

...when I was just a little girl.

...And it wasn't the  
last time  
something  
like that  
happened.

Here...

Granted,  
other things  
would come  
and save me  
before I was  
seriously  
hurt, but  
still...

Starving  
days had  
then never  
waited  
for me.

Because at  
least nobody  
ever thought I  
was strange for  
being from  
there.

...I don't  
big rain or  
thunder.

But I don't  
hate them,  
either.

Sometimes he seems like a  
wise sage, sometimes old.

Like an  
innocent  
child.

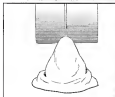

And  
other  
times, he  
smiles.

I don't like thunder..

...Because I always had to  
suffer through it alone.

But...

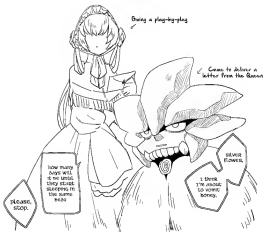

I  
won't be  
so lonely

POO

I feel  
like...

From  
now  
on,

Afterwards,  
Bliss told her  
a ton of ghost  
stories.
